Age Breakdown of Total Enrollment

Data was compiled as of the report date. Numbers frequently change due to certifications occurring after the data is extracted and other factors. This report is based on data within the system prior to the report date. A majority of the data is a "point in time" representation of the specific report month and is not cumulative. Unless stated otherwise, CHILD is defined as an individual under the age of 21. The data is valid as of the report date and is subject to change.
