Stop The Paper Chase!

OFMQHIT is THE expert in helping health care providers through the entire EHR implementation process, including:

- Vendor Selection
- Implementation
- Go-Live
- Reaching Meaningful Use
- Security and Privacy Assessments

We are vendor-neutral and can help you regardless of which EHR product you might choose.

OFMQHIT has helped hundreds of providers successfully choose and implement an EHR in their practice…we can help you, too! Call us today to get started!
